

# All-American Heroes, **WE THANK YOU.**

**We offer a Special Veteran Benefit Guarantee: Co-pays and deductibles are waived. No Co-pay or Deductible collected at time of service.**

America's greatness is personified by those selfless citizens who serve and of themselves for causes they see are greater than just one person. They dedicate their lives to pursuing such endeavors. We are inspired by each of their efforts and want to say thank you.

We salute the many men and women who are true "All-American Heroes". Benefit applies to working and retired military personnel. It's time we return the favor with a special Veteran's Benefit of waived copays and deductibles.
